

GST Quick Reference Sheet

Printable Australian GST reference for GST-inclusive and GST-exclusive price checks.

Task	Formula	Example
Add GST	$\text{Price} \times 1.10$	\$100 becomes \$110
Extract GST	$\text{Price} / 11$	\$110 includes \$10 GST
Price before GST	$\text{Price} / 1.10$	\$110 becomes \$100
GST rate	10%	Standard Australian GST rate

How to use this printable

This is a general GST reference, not tax advice. Check ATO guidance for specific business situations.

For a personalised estimate, use the linked calculator and compare the result with your real-world trend over time.
